FREE ONE-WEEK PLAN

A week of family dinners, sorted

Seven simple UK teas and one shopping list grouped by aisle. Each meal feeds a family of four. Swap anything your lot don't fancy.

Monday	**Sausage and bean casserole** Sausages browned, then simmered with onion, chopped tomatoes and baked beans. Serve with crusty bread.
Tuesday	**Chicken and veg traybake** Chicken thighs, potatoes, peppers and red onion roasted on one tray with a little oil and dried herbs.
Wednesday	**Spaghetti bolognese** Beef mince, onion, carrot and chopped tomatoes. Make double for tomorrow.
Thursday	**Jacket potatoes with chilli** Use the extra bolognese with a tin of kidney beans and chilli powder. Top with grated cheese.
Friday	**Homemade fakeaway pizza** Ready-made bases or wraps, passata, mozzarella and whatever toppings the kids pick.
Saturday	**Fish finger sandwiches and peas** Oven fish fingers in soft rolls with peas and a squeeze of lemon.
Sunday	**Roast chicken with all the trimmings** Roast chicken, roast potatoes, carrots and broccoli, with gravy. Keep leftovers for Monday lunches.

Tip: cook the bolognese on Wednesday in a big batch and Thursday's tea is half done.

Want a plan built around your family every week?

Nourish Weekly is coming soon. It plans your week of dinners around what you like and turns it into one shopping list. **Join the waitlist via the link in our bio**, and follow **@nourish_weekly** for a new free plan each week.
